ATTENDANCE CONTRACT

ACE/YW Charter High Schools have student attendance policies that require students attend school regularly in order to receive credit. These policies are intended to ensure students are in school every day unless they are ill and their absence is excused by a parent/guardian. Earning credit at ACE/YW Charter High Schools requires regular attendance and participation in class. By signing this contract, students and parents/guardians agree that students will attend school regularly in order to continue the student’s enrollment at ACE/YW.

Attendance Policy: ACE/YW Charter High Schools expect all students to attend school every day, as scheduled, unless their absence is excused by a parent or guardian. Absences should occur only in the case of illness or emergency. Parents and guardians should schedule appointments, family vacations and other travel for students at times students are not scheduled to be in school. The initial 10 days of enrollment are considered probationary and it is expected no absences will occur during this period.

Any student who is absent 4 or more days during an academic quarter may be required to participate in an administrative conference. The conference will include the student, the student’s parent or guardian, and a school administrator. At this conference, the reason for the student’s absence will be determined and plans will be developed to improve the student’s attendance. Continued enrollment at ACE/YW is contingent on the student and parent/guardian agreeing to the attendance improvement plan and the student’s attendance improving as agreed in the plan.

Students who have significant absences will not be able to keep up with course work which could impact their ability to receive credit for classes. Students must be in class, participate in class activities and discussions and complete course work in a timely manner in order to receive credit. Administrative Staff will call absent students daily. Teachers will contact parents/guardians when a student is absent or tardy three times in a row or within 5 school days, which may mean multiple phones calls each day if a student is not attending school regularly. Students who miss class are expected to “make up” the time by working with teachers during extended learning time, before or after school, in order to receive make up work, take missing quizzes or tests, or receive additional help.

Student and Parent/Guardian Acknowledgment: As a student, I agree to follow and adhere to this attendance policy. As a parent/guardian of an ACE/YW student, I agree to support my student’s need for excellent attendance in order for my student to earn credit and achieve academic success.
