Come for the catered food, door prizes, and important announcements. **Please fill out the RSVP form included in this envelope and have your student return to Ms. Nola at school.**

Thank you!

We would like to extend a huge thank you to Geico and The Boys & Girls Club for the backpacks filled with school supplies.

ACT & NWEA Testing

YouthWorks is implementing the ACT and NWEA tests to help evaluate our students and know how to teach them best. The ACT is complete, and the NWEA will be done by September 3. Scores will be sent out, and rewards will be given to top performers! Thank you, Students, for trying your best!

ATTENDANCE MATTERS

ALL DAY, EVERY DAY

Attendance has been strong so far this quarter! We ask the students to keep up the great work, and it will pay off! Parents and guardians, please call the school to excuse your student any time they must be absent.

BOYS & GIRLS CLUBS
OF TUCSON

We are working on getting each student enrolled in the Boys & Girls Club in order to take advantage of their EXCEL program. This program has many benefits, including cash rewards for good grades! Talk to Mr. Aranda if you have any questions!
